Design Jean-Marie Massaud.

Un design essenziale, un'immagine grafica e moderna dalla forte valenza architettonica. Il progetto Mondrian si basa su una struttura sospesa minimale che accoglie un intreccio ordinato di braccioli e cuscini di seduta e schienale di dimensioni diverse e modulari. Un sistema versatile, personalizzabile per dimensioni, tipologie ed elementi utilizzati. Una proposta esclusiva, che suggerisce una interpretazione dell'area living in sintonia con un lifestyle contemporaneo e internazionale.

An essential design; a graphic, modern image with a strong architectural influence. The Mondrian project is based on a minimal floating structure, which encompasses an orderly criss-cross of modular armrests, seat and backrest cushions of various sizes. A versatile system, which can be customised for size, type and the elements, it incorporates. An exclusive proposal that puts a new spin on the living space in tune with a contemporary, international lifestyle.

THE CONTEMPORARY LIVING SPACE, A PRIVATE AREA WITH A VIEW TO MODERN TRENDS

Un'estetica innovativa, una totale flessibilità compositiva, una varietà di attrezzature e accessori: sono molti gli aspetti che rendono Mondrian un sistema divani unico ed esclusivo, una risposta puntuale alle nuove esigenze d'arredo. La composizione presentata in questo servizio conferma queste qualità concentrando con armonia una ampia varietà di elementi, dalla soluzione angolare alla chaise-longue terminale, dall'elemento d'appoggio centrale allo schienale attrezzato con mensole.

An innovative aesthetic quality, total composition flexibility, a variety of fixtures and accessories: there are multitudes of aspects that make Mondrian a unique, exclusive sofa system; a prompt response to new furnishing demands. The composition presented in this issue confirms these qualities, seamlessly bringing together a wide variety of elements, from the corner sofa with a chaise longue on the end and the integrated coffee table, to the backrest fitted with shelves.

DISCOVER THE VALUE OF INNOVATION, IN A PERFECT BALANCE BETWEEN TRADITION AND MODERN DAY

Un impianto formale, un layout tradizionale con divani vis-a'-vis, che esprime al contempo un carattere moderno e sofisticato. Una qualità esclusiva, risultato della apparente semplicità della struttura sospesa, della scelta di suggerire la libera combinazione di braccioli con cuscini di seduta e schienale di differenti dimensioni. Una chiara conferma del valore del progetto Mondrian, un sistema versatile che si adatta alla varietà delle situazioni mantenendo intatta una naturale eleganza contemporanea.

A formal layout, a traditional layout with opposite-facing sofas for both a modern and sophisticated vibe. Exclusive quality, the result of the apparent simplicity of the floating structure, of the choice behind proposing a personalised combination of armrests with seat and backrest cushions in different sizes. A clear confirmation of the value of the Mondrian project: a versatile system, which adapts to a variety of situations while still maintaining a natural, contemporary elegance.

AT THE HEART OF THE
HOME, THE IDEA OF A
HAVEN WHERE YOU CAN
RELAX IN COMFORT
WITH YOUR FRIENDS
AND FAMILY

Il progetto Mondrian nasce dalla volontà di interpretare l'area living in modo nuovo, dove le varie funzioni del divano possano esprimersi in libertà. Così il bracciolo diventa anche un punto di seduta informale, gli schienali possono accogliere un inaspettato piano d'appoggio, l'ampia chaise-longue invita ad un relax esclusivo. Ma è l'immagine complessiva che rende Mondrian il protagonista della scena, l'attore principale di un progetto che prevede una naturale relazione con le poltrone, le panche e i coffee-table della collezione Poliform.

The Mondrian project stems from the desire to put a new spin on the living space where the various uses of the sofa can be freely expressed. So, the armrest can also become an informal place to sit, the seat backs feature an unexpected set of shelves and the roomy chaise longue is an invitation for some relaxation time. But it is the overall image that makes Mondrian the star of the show, taking centre stage to effortlessly bring together the various armchairs, benches and coffee tables featured in the Poliform collection.
